Anurag Singh

Software Engineer at Cloud Odyssey | JavaScript | React.js | Next.js
| Node.js | Web Development
Bengaluru, Karnataka, India

Summary

I am a software engineer with over 1.5 years of experience, focusing on web development initiatives. I am passionate about development and possess strong debugging and problem-solving abilities. Additionally, I have knowledge of developing standardized methodologies, techniques, and tools.

Currently, I am employed as a software engineer at Cloud Odyssey, where I manage projects to develop, maintain, and improve e-commerce websites across platforms. I have a solid understanding of SFCC's fundamental concepts, along with practical knowledge of technologies including the Storefront Reference Architecture, ISML, MVC Framework, Business Manager, JavaScript, plugins, and third-party integration.

Technical Skills: JavaScript, Node.js, WebDev, Java, Data Structures & Algorithms, Salesforce, Demandware, Agile, AWS, Commerce Cloud, Git and GitHub.
